

# ABOUT THE SPONSOR

BBB would like to thank the sponsor of this month's Consumer Bulletin

NELCOS DISTRIBUTION INC.  
Hyundai L&C Official  
Representative in North America

**NELCOS Distribution Inc.** is an architectural film distribution company. We believe that refreshing your space helps to refresh your life.

Our Mission is to change the interior renovation market in North America and make the interior architectural film a well-known solution that makes people's lives easier, saves time and money.

**Nelcos Distribution Inc. is an official representative of Hyundai L&C in North America.**

**BODAQ Interior Film** from Hyundai L&C is a leader in European and Asian markets. Our goal is to bring this product to the North American market and show its benefits over the traditional route of fixing or buying anew. We offer our product and installation services to individuals and corporate clients. We also provide training on how to promote, sell, and install the vinyl film.
